Love is the sweetest thing  
What else on earth could ever bring  
Such happiness to everything  
As love's old story

Love is the strangest thing  
No song of birds upon the wing  
Shall in our hearts more sweetly sing  
Than love's old story

What e'er our hearts may desire  
Whatever fate may send  
This is the tale that never will tire  
This is the song without end

Love is the greatest thing  
The oldest yet the latest thing  
I only hope that fate may bring  
Love's story to you

Love is the sweetest thing
