Mary J Will I am in the place with the love
Yeah, it feels, it feels good
Mary J, Will.I.Am
Tell 'em how ya feel

[Mary]
Boy you got me goin' crazy
I don't know what to say anymore
Cuz still I wanna be your lady
You know that I would never walk out that door
I'm not giving up on us but
Things can get a little hard in this life
But you know, you know I love you

[Chorus]
You're everything I ever wanted
Everything I've never wanted
In a man, can't you see
What you're doing to me

I'm sayin yes and sayin no
Because I dont want you to know
How I really feel, how I really feel

About you (you know how I feel)
About you (you know how I feel)
About you (how I feel, you know how I feel)

So glad to have you in my life
(It's a new life for me, yeah)
(Yeah, yeah, yeah, yeah, yeah, yeah, yeah)

[Mary]
You, you're the one for me
I dont wanna be free
Boy, you have rescued me
but sometimes I don't want to be bothered
Baby, don't think I am shady
Just adjusting to ya
I don't wanna confuse ya or even misuse ya
But I love ya, I love ya, yeah, yeah

[Chorus]

You're everything I ever wanted
Everything I've never wanted
In a man, can't you see
What you're doing to me

I'm sayin yes and sayin no
Because I dont want you to know
How I really feel, how I really feel

About you (you know how I feel)
About you (you know how I feel)
About you (how I feel, you know how I feel)

So glad to have you in my life
(It's a new life for me, yeah)
(Yeah, yeah, yeah, yeah, yeah, yeah, yeah)

Ooh, so glad to have you in my life
So glad to have someone to hold me
So very happy with my life
I'm so glad, so glad, so glad

[Will.I.Am]

Baby, you a soul mama
Love's what I'mma bring to you
Quick don't pause like a comma
Won't stall on ya when it's time to put it on ya
Don't call on another chick I'm callin' on ya
Won't trip on ya, I don't bring the drama
I won't dip out when it's trauma
I'm holdin on mama, hold up, wait a minute
We've been through the downs ups, but stayed in it
So glad that I've got you, that I got you
So glad that I got you, I got you

[Repeat Chorus]
