Mary J, Will, I Am in the place with the love
Yeah, it feels, it feels good
Mary J, Will I Am, tell 'em how ya feel

Boy you got me goin' crazy
I don't know what to say anymore
'Cuz still I wanna be your lady
You know that I would never walk out that door

I'm not giving up on us but
Things can get a little hard in this life
But you know, you know I love you

You're everthing I ever wanted
Everything I've never wanted
In a man, can't you see
What you're doing to me?

I'm sayin' yes and sayin' no
Because I don't want you to know
How I really feel, how I really feel

About you
(You know how I feel)
About you
(You know how I feel)
About you
(How I feel, you know how I feel)
So very happy with my life
(It's a new life for me, yeah)

You, you're the one for me
I don't wanna be free
Boy, you have rescued me
But sometimes I don't want to be bothered

Baby, don't think I am shady
Just adjusting to ya
I don't wanna confuse ya or even misuse ya
But I love ya, I love ya, yeah, yeah, yeah

You're everthing I ever wanted

Everything I've never wanted
In a man, can't you see
What you're doing to me?

I'm sayin' yes and sayin' no
Because I don't want you to know
How I really feel, how I really feel

About you
(You know how I feel)
About you
(You know how I feel)
About you
(How I feel, you know how I feel)
And so very happy with my life
(It's a new life for me, yeah)

(So very happy with my life)
So glad to have someone to hold me
(So very happy with my life)
I'm so glad, so glad, so glad, so glad

Baby, you a soul mama
Love's what I'ma bring to you
Quick don't pause like a comma
Won't stall on ya when it's time to put it on ya
Don't call on another chick I'm callin' on ya

Won't trip on ya, I don't bring the drama
I won't dip out when it's trauma
I'm holdin' on mama, hold up, wait a minute
We've been through the downs ups but stayed in it
So glad that I've got you, that I got you
So glad that I got you, that I got you

You're everthing I ever wanted
Everything I've never wanted
In a man, can't you see
What you're doing to me?

I'm sayin' yes and sayin' no
Because I don't want you to know
How I really feel, how I really feel

About you
(You know how I feel)
About you
(You know how I feel)
About you
(How I feel, you know how I feel)
So very happy with my life

(It's a new life for me, yeah)
