Lookin like money, 'bout to hit the club
Me and my girls 'bout to live it up
Oooh I grab my bag, I check my swag and I am out that
door
Ready for a good night
All my people in the VIP, rock with me
Put your glasses up
All night long, cause what I want

All I really want
Shopping sprees, range keys
All I really want
Diamond rings, fancy things
All I really want
VIP, champagne dreams
All I really want is to be happy

I hate running
But I'm on a paper chase
I don't got no time to waste, I don't got no time to
waste
If it aint stunning
It aint even worth my time
I gotta get to mine
Lay everything on the line
Oooh I grab my bag, I check my swag and I am out that
door
Ready for a good night

All I really want

Shopping sprees, range keys
All I really want
Diamond rings, fancy things
All I really want
VIP, champagne dreams
All I really want is to be happy

I wanna live it up
Hair done, nails done, everything did
I wanna live it up like the stars, the house the cars
Stay fly, aim high,

Like its a stick up, stick up
Hands up til you touch the sky, touch the sky
Oooh I grab my bag, I check my swag and I am out that
door
Ready for a good night
All my people in the VIP, rock with me
Put your bottles up
All night long, cause what I want

All I really want
Shopping sprees, range keys
All I really want
Diamond rings, fancy things
All I really want
VIP, champagne dreams
All I really want is to be happy
