[Mary:]

Baby, can I talk to you for a minute?

Ohhh...

Ohh...

Listen...

[Verse 1: (Mary)]

Boy, you had me fooled.

I can't believe you.

Cuz' you never done anything that I asked of you.

Always talking like I just can't do right.

Blaming me for everything and that just ain't right.

Cuz I...

[Chorus: (Mary)]

Cuz' I can't do this alone. (I don't know what to do.)

Alone.(I'm tryna stay with you.)

It's not all about you. (Ohhh)

Boy, I can't do this alone. (You're making this harder.)

Alone. (Boy, I'm bout to leave ya)

(Cuz I can't do this alone)

Alone...

Alone...

Alone.

[Verse 2: (Dave)]

And I gave you everything I had.

Yeah.

And I never said nothing.

Did everything for you.

What did you do?

Nothing.

Then you got the nerve to wanna run your mouth.

Like I ain't never held you down.

Baby, what did I do to deserve this?

Cuz' I put you on a shelf.

Girl, I need help.

Cuz' I can't do this alone, baby.

[Chorus: (Dave)]

Cuz' I can't do this alone. (I don't know what to do.)
Alone. (I'm tryna stay with you.)
It's not all about you. (No, I can't do it)
Girl, I can't do this alone. (You're making this harder)
Alone. (Girl, I'm bout to leave ya)
(I can't do this alone)
Alone...
Alone...
Alone.

[Bridge:]

[Mary:]

And I tried to work this out. (I'm tryna work this out)
But boy you're changing now. (Oh, you're changing now)
What do I do? (What do I do?)
I'm so confused. (I'm so confused, baby)

[Both:]

(And I tried to work this out.)

[Dave:] I tried it all.

(But girl, you're changing now.)

[Mary:] So did I.

(What do I do?)

[Dave:] What do I do?

(I'm so confused.)

[Mary:] What do I do?

[Mary:] I can't do this alone.
