[Spoken: Mary J. Blige as Justice]

That stage is a pedestal
And when you're up there
You're untouchable
And when you're up there
You can have it...

[Chorus]

Any way you want it
That's the way you need it
Any way you want it

[Verse 1]

Take Destiny!
She loves to laugh
She loves to sing
She does everything

And Sapphire...

She loves to move
She loves to groove
She loves the lovin' things

[Bridge]

Oh, all night, all night
Oh, every night
So hold tight, hold tight
Oh, baby, hold tight
When it comes to the customer...

[Chorus]

She said: "Any way you want it
That's the way you need it
Any way you want it"
She said: "Any way you want it
That's the way you need it
Any way you want it"

[Verse 2]

I was alone, I never knew
What good love could do

Ooh, then we touched
Then we sang, about the lovin' things

Hold on, hold on, hold on!
Oh!

[Chorus]
She said: "Any way you want it
That's the way you need it
Any way you want it" (Anyway)

Any way you want it
That's the way you need it
Any way you want it

She said: "Any way you want it
That's the way you need it
Any way you want it" (Anyway)

[Julianne Hough as Sherrie]
Any way you want it
That's the way you need it
Any way you want it
That's the way you need it
Any way you want it
That's the way you need it

Anyway!

Any way you want it

[Chorus]
Oh, she said
"Any way you want it
That's the way you need it
Any way you want it"
