I wanna be with you, gotta be with you, need to be with  
you  
(Oh, oh, oh, oh)  
I wanna be with you, gotta be with you, need to be with  
you  
(Oh, oh, oh, oh)  
Oooo (oh, oh, oh, oh) oooo

Chemistry was crazy from the get-go  
Neither one of us knew why  
We didn't build nothing overnight  
'cause a love like this takes some time  
People start off as a phase  
Said we can't see that  
Now from top to bottom  
They see that we did that (yes)  
It's so true that (yes)  
We've been through it (yes)  
We got real sh\*\* (yes)  
See baby we been...

Too strong for too long (and I can't be without you  
baby)  
And I'll be waiting up until you get home ('cause I can't  
sleep  
without you baby)  
Anybody who's ever loved, ya know just what I feel  
Too hard to fake it, nothing can replace it  
Call the radio if you just can't be without your baby

I got a question for ya  
See I already know the answer  
But still I wanna ask you  
Would you lie? (no)  
Make me cry? (no)  
Do somethin' behind my back and then try to cover it  
up?  
Well, neither would I, baby  
My love is only your love (yes)  
I'll be faithful (yes)  
I'm for real (yes)  
And with us you'll always know the deal

We've been...

Too strong for too long (and I can't be without you  
baby)  
And I'll be waiting up until you get home ('cause I can't  
sleep  
without you baby)  
Anybody who's ever loved, ya know just what I feel  
Too hard to fake it, nothing can replace it  
Call the radio if you just can't be without your baby

See this is real talk  
I'm always stay (no matter what)  
Good or bad (thick and thin)  
Right or wrong (all day everyday)  
Now if you're down on love or don't believe  
This ain't for you (no, this ain't for you)  
And if you got it deep in your heart  
And deep down you know that it's true (come on, come  
on, come  
on)  
Well, let me see you put your hands up (hands up)  
Fellas tell your lady she's the one (fellas tell your lady  
she's the one, oh)  
Put your hands up (hands up)  
Ladies let him know he's got you locked  
Look him right in his eyes and tell him  
We've been...

Too strong for too long (and I can't be without you  
baby)  
And I'll be waiting up until you get home ('cause I can't  
sleep  
without you baby)  
Anybody who's ever loved, ya know just what I feel  
Too hard to fake it, nothing can replace it  
Call the radio if you just can't be without your baby

Heeeeeeeeeey Ohhhhhhhhhhhhh  
Heeeeeeeeeey Ohhhhhhhhhhhhh

I wanna be with you, gotta be with you, need to be with  
you  
I wanna be with you, gotta be with you, need to be with  
you  
I wanna be with you, gotta be with you, need to be with  
you  
I wanna be with you, gotta be with you, need to be with  
you  
I wanna be with you, gotta be with you, need to be with  
you
