[1 - Mary J. Blige]

Confrontation, confrontation  
Confrontation, confrontation  
Confrontation, confrontation  
Confrontation, confrontation

[Mary J. Blige]

Are you mad because I turned it around?  
But if I stayed the same  
You would still be running your mouth, oh  
You never doubt the Queen of Hip-Hop soul  
I never let you down cause I'm on a roll  
My new cd is in your store  
So pick it up and feel my soul

[Repeat 1]

[Mary J. Blige]

Everybody wants to know where I've been  
Cause living life the way I do seems to be a sin, oh  
But that stuff follows me everywhere I go  
Get out of hair cause shit is out of control  
Don't come too close to cause you never know  
What I would do if you disrespect me [Repeat 1 till end]
