Sometimes I really
Don't wanna have to speak my mind
Cause I really don't wanna tell you
How I am digging you so
I can't let go
But it hurts me to my soul
To tell you every little thing
That is on my mind
I can't let you know so I hide it inside
All my feelings for you
Don't want you to let it go to your head
I am mean to you sometimes
But I can't get you off my mind
So I hit you with the game
Always tryna act like your loving
Ddoesn't faze me
When the truth is that it amaze me
I know it's a big lie
Cause you can see right through my eyes
How much I wanna hold you
Give you all my loving
Baby boy, let me show you
And I really wanna get to know you

Chorus:

But I've been there
And I've done that
And I promised never to get hurt again
(Never, no, no)
Never again
Never hurt again
You drive me crazy but I promised myself
Never to get hurt again
(Never to get hurt again)
Never again (never again)
Never hurt again

I can't never ever let you see me this way
So I take all my feelings and I tuck them away
Frontin like I don't want you to hold me tight
So I act like I'm putting up a fight
To get your attention

And make you stay around longer
So I tell you I don't like it
Cause I know that that would make you
Wanna hold me tighter
I can't help myself
I really like ya

Chorus(2x):
But I've been there
And I've done that
And I promised never
To get hurt again
Never again
Never hurt again
You drive me crazy
But I promised myself
Never to get hurt again
(Never to get hurt again)
Never again (never again)
Never hurt again
(Never to get hurt again, no, no)
(Never hurt again)
(Never to get hurt again)
Never again (never again)
Never hurt again (oh boy)

I don't deserve it
I can never get hurt again
Never get hurt again
Never
I don't deserve it
I can never get hurt again
Never get hurt again
Never, ohhh
I've been there

Chorus:
(And I've done that)
(And I promised never to get hurt again)
(Never)
(No, no)
(You drive me crazy but I promised myself
never to get hurt again)
(Never, no, no, no, no)
(Ohhh)
