baby i love you
(love you, love you)

when i leave
do you think about me?
when you're gone
i can't wait till you get home, home, home
you were wrong
so was i
so what are we gonna do?
so tonight
i'm a try
whatever you wanna do
it's up to you

and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you

they have tried, yeah
to get what yours and what's mine
(they can't have what's mine)
but it would take a lifetime
to get between you and i
they were right
love is blind
i can't see nothin but you
so tonight
i'm a try whatever you wanna do

it's up to you

and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you

we might fight, sometimes we disagree
you're not right but that's alright with me
love it when you're calling out my name
baby i'm a do the same

i ain't scared to let you know
i would never let you go
you're the only one i need
baby come to me

and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you

saying i love you
is giving you strength to
ready my heart
but i'm trusting you now too
