There's something that I want to say,
But I feel I don't know how.
Until I just can't hold it one more day,
So I think I let it out.

You're on my mind more than I may show
You're in my heart more than you may know
And the last thing that I want,
Is to you to fall apart.
Your future will be clearer,
I want you to remember.

In each tear
there's a lesson, (there's a lesson)
Makes you wiser than before (wiser)
Makes you stronger than you know (stronger)
In each tear (each tear)
Brings you closer to your dreams
No mistake, no heartbreak
Can take away what your meant to be...

We can't change the things,
That we done, that's in the past.
But fighting won't get us anywhere,
So if you want, Here's my hand...

Every night there is one thing I do
I bow my head and pray for you (pray for you)
And the last thing that I want,
Is for you to fall apart
you're future will be clearer
I want you to remember

In each tear
there's a lesson, (there's a lesson)
Makes you wiser than before (wiser)
Makes you stronger than you know (stronger)
In each tear (each tear)
Brings you closer to your dreams
No mistake, no heartbreak
Can take away what you're meant to be

You're much more than a struggle that you go through
You're not defined by your pain, so let it go...
You're not a victim, you're more like a winner
And you're not in defeat, you're more like a queen
In each tear
there's a lesson,
Makes you wiser than before
Makes you stronger than you know (stronger than you
know)
In each tear (in each tear)
Brings you closer to your dreams
No mistake, no heartbreak
Can take away what your meant to be

In each tear (each tear)
there's a lesson, (there's a lesson)
Makes you wiser than before (wiser)
Makes you stronger than you know
In each tear (Make you so much more)
Bring you closer to your dreams
No mistake, no heartbreak
Can take away what your meant to be

No no we can't be held down
No no oh noo I I I can't held down
You you you can't be held down
We we we can't be held down

Love

It makes you so much stronger (stronger)
It makes you so much wiser (wiser)
In each tear (in each tear)
And You so close to your dreams
No mistake, no heartbreak can't take away
you're meant to be
