Alright, you know
In this world we're living
You gonna try... say
But you got me strong
And let them haters know
They gotta fall back, fall back
Way back MJB tell them what I'm saying!

People change like the weather, man
Put your trust only in you, baby!
You can't go when you're doing you
So keep moving and doing the damn thing!
Cause the only way to win
Is to... through life to win
But your aim up in the sky
And them haters fall back, fall back, fall back!

Chorus: (x2)
Cause I gotta give you and me
No matter what they think
Cause I believe in me
And if u feel me say
Oh ohh ohh eh eh eh
Say yeah, yeah

Is your world, every boy and girl
Don't let 'em hold you back from your dreams
Take a hope, never let 'em go to, turn them to realogy
Cause you know what to do
You got smiles inside of you
Put your head up in the sky
Shawty tell them haters
Fall back, fall back, way back

Chorus: (x2)
Cause I gotta give you and me
No matter what they think
Cause I believe in me
And if u feel me say
Oh ohh ohh eh eh eh
Say yeah, yeah

Let me here you say
Oh ohh ohh ehh ehhh
Oh ohh ohh ehh ehhh
