"Gonna Make It"

Oh..Ohh..Ohh

[Verse 1 - Jazmine:]

A memory its you its me
No makeup no clothes we bear our souls
I'll make it with you no lies the truth
We're all the same
The joy, the pain

[Chorus 1 - Jazmine:]

We 'gon make it
We 'gon make it
It gets hard but I know we can take it
I'ma make it
I'ma make it
Its the truth and there's no reason to fake it

[Chorus 2 - Mary:]

We 'gon make it
We 'gon make it
It gets hard but I know we can take it
I'ma make it
Yes I'll make it
Its the truth and you can leave it or take it

[Verse 2 - Mary:]

Livin' here today in this stress filled life
Gets so hard for me but I win the fight
So I act just like an eagle and take flight
I am not 'gon stop
Lately it seems that I can't breathe
I live to love
I give so much
I've nothing to prove I'm down with you
This job gets tough but I found out

[Chorus 1]

[Chorus 2]

[Verse 3:]

I know (you might)
No movies (no lines)
No camera (no flash)
No music (no fame)
I hurt (I feel)
I love (I'm real)
We're unified just you and I

[Chorus 1]

[Chorus 2]

[Mary (Spoken):]

For all my people in the struggle
We all havin' hard times right no
Whether it be mentally, spiritually, or finacially
We 'gon make it
So hang in there
