This is for all the young ladies out there  
You may be the hero  
Sometimes we have to save ourselves

Mama there is no fool, nooo  
Mama there is no dummy, uhh  
Mama there is no emboss  
But that's what I am if I let you hurt me yeah.  
And as much as I wanna stay right here  
Hear you say I'm sorry  
I began to fight, stay right here  
'Cause I know you do it again and again.

[Chorus:]  
So I gotta beat my hero tonight  
I gotta come and save me tonight  
I gotta beat my hero tonight, my hero  
And drop the sword and fight for my life.

Since got a good reason girl  
I wasn't there but choosing  
See I learnt it to find...  
Don't make her hurt me  
'Cause as much as I wanna stay right here, right here

To hear you say I'm sorry uhh  
I began to fight stay right here  
'Cause I know you do it again and again.

[Chorus:]  
So I gotta beat my hero tonight, my hero my hero  
I gotta come and save me tonight, save my own life  
I gotta beat my hero tonight,  
And drop the sword and fight for my life ohh.

You make me good, but you're not good to me  
You may be care, but you're not calm to me  
You make,.. but you know how to love feel  
So I know that set me free yeah.

[Chorus:]  
So I gotta beat my hero tonight, my hero my hero

I gotta come and save me tonight, save my own life  
I gotta beat my hero tonight,  
And drop the sword and fight for my life ohh.

Just don't think no one understand, you know I do  
I had to pull up the sword and fight for my own life  
many times  
So I get it ladies, I did it girls, save yourself  
'Cause nobody else is gotta do it for you.
