"Hood Love"

(feat. Trey Songz)

[Trey Songz:]

Sometimes I don't get a chance to really tell you
But I promise you my love will never fail you
Don't you get it?
Right now we're writing history
A thousand years from now
They'll talk about you and me
I know sometimes I go hard
For no reason at all
Put your soul through the business
And test the weight of your heart
'cause when your back's on the wall
And there's a shortage of friends
You know that I'm with you until the end

[Chorus:]

We got hood love
I be cussin I be screamin
Like it's over then I'm longing
Then I'm feening just to hold ya
Cause that's how we do
You know that hood love is a good love
That's me and you
How you feel love?
Well I'm with u
Never quit u
Now that's real love
When you ain't here
Then I miss you
Cause I still love
The way that we do
You know that hood love is a good love
That's me and you

[Mary J. Blige:]

Sometimes I think about leaving you
But when I think about what we've been through yeah
I get a feeling like it could be the worse
Cause I've given you my best and I don't mind it... that's

fine
Cause when you love somebody hard then you'll love
that way for life
You got all of my heart
And I'll never leave your side
I gave my word to love ya
All the way to the end
So no matter what I'll be right here
I'll be right here cause we got hood love

[Chorus x2]

[Trey Songz:]

Now I'll play tough but not for too long
You are someone I depend on
No matter how I act at times
I could never walk away
I thought about it plenty times
But no one can take your place

[Mary J. Blige:]

Well if there ain't no you
Then there ain't no me
If there ain't no us
Then I'd rather be
By my self
Cause no one else (oh)
Could know just what i need
And really understand me

[Chorus]
