Oh, you know we had to do it

Oh, you know we had to do it

Ha-ha

Hey, yo', Mary

I don't think they ready for this one
This is Phase 1

Love And Life
Oh, let's work

Oh, let's work {Let's work, people}

Oh, let's work {It's the reunion}

Oh, let's work {Let's work, people}

Oh, let's work {Mary J. Blige}

Oh, let's work {I see you came through}

{The Queen of Hip-Hop and Soul}

{They call me, Diddy}

{Bad Boy, baby}

{Mary, talk to them}
Boy, you know you got your hooks in me

You're on my mind every day constantly

I'm tired of holdin' back the way I feel

'Cause what I feel, baby, for you is real
You give me everything I want (Everything)

A little more than I'll ever need (A little more,

Babe)

I never felt like this before (Ooh)

That's why I wanna give you all of me (I'm hooked)
I'm hooked, babe

On your love, you got me wondering

Sexy (Sexy, sexy, baby)

You're the one I want, you got your hooks in me
I won't sway

'Cause that's what's up, you got me in a daze (Got me
In a daze)

All I can say

Oh, you know got your hooks in me
Someone like me doesn't always fall in love

'Specially with dudes that I meet in the club

'Cause I ain't really into gettin' rough

But boy, I'm feeling you and that's what's up
You give me everything I want (Everything)

A little more than I'll ever need (A little more,

Babe)

I never felt like this before (Ooh...hoo...)

That's why I wanna give you all of me (I'm hooked)
I'm hooked, babe (Hooked, hooked)

On your love, you got me wondering (On your love,

Babe)

Sexy (Hey, hey, hey, hey)

You're the one I want, you got your hooks in me
I won't sway (Won't sway, baby)

'Cause that's what's up, you got me in a daze (Ooh,

Baby, baby, baby)

All I can say

Oh, you know got your hooks in me (That's what you got

To do)

Baby, I'm so into you (I'm so into you, boy)

No one can do what you do to me (No one can hold me

This way)

This is a chance of a lifetime (I won't miss it for

Nothin')

For me, make you mine till the end of all time
I'm hooked, babe

On your love, you got me wondering

Sexy

You're the one I want, you got your hooks in me
I won't sway

'Cause that's what's up, you got me in a daze

All I can say

Oh, you know got your hooks in me
I'm hooked, babe

On your love, you got me wondering

Sexy

You're the one I want, you got your hooks in me
I won't sway

'Cause that's what's up, you got me in a daze

All I can say

Oh, you know got your hooks in me
Mama, shake that thang

You know I like it when you shake that thang

The way you shake it, girl, you show no shame

Stop playing, girl, shake that thang
Now let's work

Ooh, let's work

Ooh, let's work

Ooh, let's work

Ooh, let's work {Let's work, people}

Ooh, let's work

Ooh, let's work

Ooh, let's work

Ooh, let's work

Ooh, let's work
