If I don't love you this way  
Why do I say what I say? Yeah  
If I don't need you this much  
Oh, why do I ache for your touch? Yeah

With you it seems I can reach the stars  
With reckless hopes and dreams  
With you it seems you still don't believe  
How valuable you are

I'm really loving you  
(Loving you, loving you)  
Not pretending too

If I don't need you this strong  
(Ooh)  
Why do I beg to be loved? Yeah  
How can you doubt that I care?  
Oh, when I'm with you everywhere? Yeah

With you I find  
(I find)  
I can close my eyes  
To the world surrounding me  
(Ooh)

And you create  
(Create)  
The sweetest place  
That I could ever be

I'm really loving you  
(Loving you, loving you)  
Not pretending too

If I don't love you this way  
Ooh, why do I say what I say? Yeah  
If I don't need you this much  
Ooh, why do I ache for your touch?

You just have this smile  
That makes my life worth wild

And that explains  
Why I play no games

If I don't love you this way  
Ooh, why do I say what I say? Yeah  
If I don't need you this much  
Ooh, why do I ache for your touch? Yeah

Ooh, ooh, ooh
