Chorus: Mary J. Blige

You're all, I need  
to get by, ahhhhh  
You're all, I need  
to get by, ahhhhh

(Background sample: Notorious B.I.G.)  
[Lie together, cry together, I swear to God I hope we  
fuckin' die together]

Shorty I'm there for you anytime you need me  
For real girl, it's me in your world, believe me  
Nuttin make a man feel better than a woman  
Queen with a crown that be down for whatever  
There are few things that's forever, my lady  
We can make war or make babies  
Back when I was nothin  
You made a brother feel like he was somethin  
That's why I'm with you to this day boo no frontin  
Even when the skies were gray  
You would rub me on my back and say
