Rich Nice}:

The most innovative female singer of our decade
Many describe her as the paramount
The most soulful, the most prolific
Who else is accepted in the streets
As well as in the streets

(Awards shows)

No other can match her conviction
This is not a test
This is an actual emergency of the Track Master
broadcast system
And this is where you should be tuned in
To receive the proper news and the banging joints

(Radio stations)

Back in the house once again...
