I can't believe it
Could this be love, ya'll?
Could it be love, could it be love
At first sight?

Come on, let's go, I see you Mary
I like this right here, you ready?
Queen of hip hop and soul
Bad boy, Mary J. Blige, yeah, back together again, let's
go

Looking at you from a distance
Getting all of my attention
Could this be love at first sight?
Baby

You walked away and I missed you
Visions of wanting to kiss you
How could this be if I don't really know you?
Oh baby, baby, could it be

Could it be love at first sight?
And I never knew that I
Could fall in love on the very first night
Ooh, could this be love?

You had on the latest fashion
It was a big attraction
It drew me closer and closer to you
Yeah baby

I've never done anything like this
But you, I just could not resist
I swallowed my pride and snapped to your sound
Oh could it be, be

Could it be love at first sight?
And I never knew that I
Could fall in love on the very first night
Ooh, could this be love?

I wanna know if you could call me up

Then maybe someday we just might hook up
Could this be love at first sight?

Yo, once again, it's that other M&M now
How many women feelin' 'em?
Somebody call the coronor, quick, Mary, you's killin'
them
Tell 'em what's the 411 and who came runnin'
When Clef dialed 911 from shots commin'

It's something for the radio, guest starring MC
John blazing the hip hop and R&B
What? You thought you wasn't gon' see me
You can't spell Mary J. Blige without a J B

But back to the matter and the sex on a platter
She only wanna be happy and I ain't mad at her
You go mama, now a days I'm more calmer
And if you take a look at my life, no more drama

Now you know, you searching for a Wu-Tang pro
You find me just about everywhere the poontang go
Now you know, feel me like your favorite love song
'Coz my computer love is the truth dot com

Could it be love at first sight?
And I never knew that I
Could fall in love on the very first night
Ooh, could this be love?

I wanna know if you could call me up
Then maybe someday we just might hook up
Could this be love at first sight?

Could it be love at first sight?
And I never knew that I
Could fall in love on the very first night
Ooh, could this be love?

Could it be love at first sight?
And I never knew that I
Could fall in love on the very first night
Ooh, could this be love?
