[Jamie:]

Yea, you know Mary.

These last couple of years I have been going through
some changes

Good and bad, but you know what?

At the end of it, it's still all love girl:yea.

Ohhhh oh baby

[Verse 1:]

You stayed away half the night

Love has just

Put you through changes uh

Tell me why, tell me why, tell me why

It must be love

That's on your mind

You're doing things you wouldn't before

And you ought to know that

[Chorus:]

Love will make you oh so happy inside

(I try to control it, but it's just taking over me)

Love will make you oh so sad

Make you cry

[Both:]

Changes

Love changes ooh love changes

That's what love puts us through

Love changes ooh love changes

Changes

That's what love makes one do

Ooh love changes

[Verse 2:]

Wondering if it's real this time

There's not another

Hey good-bye

You walk around

Starry-eyed

I can't believe thought would

Hurt again
Hurt again
I can't believe that this love will

[Chorus:]

[Bridge:]
You know what Mary?
Yea Jamie?
All I want to do is just get to back to the basics
I want to get back to the loving
Get back to hugging
Get back to caring
Get back to sharing
Get back to understanding
Everything we do
Get back to even teaching
Teach me please
Get back to loving your woman
Get back to loving your man
Get back to cooking for your man
Whenever you're hungry baby

Changes
Love changes
Ooh love changes
Changes
Ooh love changes

[Chorus: (Repeat)]

Put your hands in the air
If you know what I mean tonight
