Hmm, hmm  
Whoa, oh  
Oh yeah

Sitting here all alone on Valentine's Day  
I really wanna call him up  
But my pride is all in the way, hey, hey, hey  
Picture's getting clearer  
I see what's been going wrong for years  
The once you say you're far, really are so near  
I'm thinking of

Roses that you sent to me  
All the kisses that you gave to me  
Memories of what we used to be  
All alone this special day  
Thinking 'bout the time you went away  
Valentine's Day will never be the same

How come men nowadays  
Bring you so much joy and so much pain  
Can anybody help me? I think I'm going insane  
Valentine's Day will never be the same  
'Cause I'm think about you always  
I cherish everything you gave to me  
I'm thinking of

Roses that you sent to me  
All the kisses that you gave to me  
Memories of what we used to be  
All alone this special day  
Thinking 'bout the time you went away  
Valentine's Day will never be the same

You took my love for granted  
Then you, you mean to think that  
Everything was fine between me and you  
Every time this day comes around  
I wanna feel your touch  
I can't believe what you did to me  
I hate cha, did me wrong  
But still I must move on

I gotta move on

Roses that you sent to me  
All the kisses that you gave to me  
Memories of what we used to be  
All alone this special day  
Thinking 'bout the time you went away  
Valentine's Day will never be the same

Roses that you sent to me  
All the kisses that you gave to me  
Memories of what we used to be  
All alone this special day  
Thinking 'bout the time you went away  
Valentine's Day will never be the same

Roses that you sent to me  
All the kisses that you gave to me  
Memories of what we used to be  
All alone this special day  
Thinking 'bout the time you went away  
Valentine's Day will never be the same
