Verse1:I heard them all,  
all them lies,  
lost count round and round a thousand times but here  
it comes another lie... Whoa oh whoa ohhh..  
U lost ur phone,  
It slipped ur mind,  
Promise the last time was the last time,  
already know what u are for say so say this... Don't wish  
ur breathe  
Chorus: miss me with that  
The only part of u I wanna see is ur back,  
Miss me with that,  
Save it for the last one...  
I just got over one  
You better ask somebody about me...I know just what  
u'll ask for say so  
saaaay this  
Miss me with that.

Verse 2: Are u hearing me??  
Look in my eyes  
I ain't gat any energy anymore... To fight no

I'm over this  
This waste of time  
Whoa oh whoa ohhh  
Ur car broke down  
U are working late  
Or Maybe today is just ..... day  
Already know wat u'll for say so.. say this  
Don't wish ur breathe

Chorus:

Bridge: I bet  
But I'm shaking my hand like this  
Don't know why but I still love u  
Wanna trust u  
But I caaaant  
So I'll be what u are about to say.. Boy

Chorus till fade
