Mary J.:
Yeah
Let's take 'em back
The Game:
Uh huh

Verse 1

The Game:
I need a real love
Mary holla at me if you need a real thug
We could ride through Compton and see real Bloods
Real Crips
And I'ma always hold you down dat's real shit
I'm the Los Angeles king
And you remind me of Mary the R&B Queen
I got The 411
What's crackin'
What I owe you for helpin' me goin' 4 times platinum
I add a kid to my life he almost 2
I guess what I'm tryin' to say is thank you
For over 10 years of the ghetto gospel
You paved the way for young black women to prosper
How you paint pictures you deserve Grammys and
Oscars
Congratulation from me Aftermath and the Doctor
So niggaz go ahead and envy me
I'm Billboards' Top Ten 10 featuring MJB

Verse 2

Mary J. Blige:
'91 I stepped in this game
After What's The 411 things ain't been the same
And I can't complain
But with all this fame comes a whole lotta pain but
I'm so glad to be here
And my music's still sincere
Let's get back to the story
All of this pain and glory
In '94 was My Life
And my life wasn't right
So I reached out to you and told you what I've been

through

50 Cent & Mary J.:

50 Cent:

Hate it or love it the underdog's on top
And I'm gon' shine homie until my heart stop

Mary J.:

Go 'head envy me
I'm soul hip-hop queen
And I ain't goin' no where
But you already know me
(Repeat)

Verse 3:

Mary J.:

Then I came with Share My World
But at that point I was just a foolish girl
Tryin' to find my way
Then I dropped the Mary album and people would say
that
It's just not gonna work
And my feelings they did hurt
But my fans showed me so much love
And I owe it all to them
When I came with No More Drama I remember that year
It was when Aaliyah died I couldn't hardly sleep
Thought about it everyday
Then it made me change my way
I'm a real woman now because of all the good days
