I can't believe after all this time I'm in love with a man
Who can never be mine and just to think, I believe one
day
You'd really leave like you said you would 'cause you
don't love her
But your little girl really needs you

Christmas you weren't with me
New Year's eve you were not around
Valentine came and went
Makes me wonder where your time was spent

Fireworks on the fourth of July
Thanksgiving was another lie
Your family has never met me
And you've never met mine, no happy holiday
No happy holiday

I have to let go of this feeling being with you deprives
me of a true love
I can't go on living this life without being number one
This is finally goodbye, I pray to God you live a happy
life
'Cause loving you just ain't right, make her your wife

Christmas you weren't with me
New Year's eve you were not around
Valentine came and went
Makes me wonder where your time was spent

Fireworks on the fourth of July
Thanksgiving was another lie
Your family has never met me
And you've never met mine, no happy holiday

I wish I had known the situation from the start
Now it's complicated because I gave you my heart
Honestly I held on, for my ego, my pride
But what goes around, come around
But maybe next time I'll be on the other side

Oh, yeah

Last time little
You're gone

Christmas you weren't with me
New Year's eve you were not around
Valentine came and went
Makes me wonder where your time was spent

Fireworks on the fourth of July
Thanksgiving was another lie
Your family has never met me
And you've never met mine, no happy holiday

Christmas you weren't with me
New Year's eve you were not around
Valentine came and went
Makes me wonder where your time was spent

Fireworks on the fourth of July
Thanksgiving was another lie
Your family has never met me
And you've never met mine, no happy holiday

Christmas you weren't with me
New Year's eve you were not around
Valentine came and went
Makes me wonder where your time was spent

Fireworks on the fourth of July
Thanksgiving was another lie
Your family has never met me
And you've never met mine, no happy holiday
