Oh help me, oh help me  
I'm tired of this drama  
I'm tired of this drama  
I'm tired of this drama  
I'm tired of this drama  
I'm tired of this drama

No more pain, no more pain  
No more pain, no more pain  
No more pain, no more pain  
No more pain, no more pain

No more pain, no more pain tired of hurtin'  
No more pain, no more pain tired of hurtin'  
No more pain, no more pain, no  
No more pain, no more pain, no

I am 'bout to lose my mind  
I am 'bout to lose my mind  
I am 'bout to lose my mind  
Lord help me, help me

I am 'bout to lose my mind  
I am 'bout to lose my mind  
I am 'bout to lose my mind  
Lord help me, help me

Sayin', no more pain, no more pain, no  
No more pain, no more pain, no  
No more tears, I'm tired of cryin' every night  
No more fears, I really don't wanna cry  
No more drama in my life

I am 'bout to lose my mind  
I am 'bout to lose my mind  
I am 'bout to lose my mind  
I don't ever wanna hurt again

Sometimes, tired of all this drama  
Tired of all this drama

Pain, no more pain

No drama, no more in my life

Broken heart again another lesson learnt  
Better know your friends or else you will get burn  
Gotta count on me 'cause I can guarantee  
That I'll be fine, oh help me

No more pain, no more pain  
No more drama in my life  
No one's gonna make me hurt again

Why'd I play the fool, go through ups and downs?  
Knowin' and all the time you wouldn't be around  
Or maybe I like the stress 'cause I was young and  
restless  
But that was long ago, I don't wanna cry no more

No more pain, no more pain  
No more game  
No more drama in my life  
No one's gonna make me hurt again, no  
No more tears, I'm tired of cryin' every night  
No more fears, I really don't wanna cry  
No more drama in my life  
I don't ever wanna hurt again

It feel so good when you let go  
Avoid this drama in your life  
Now you're free from all the pain  
Free from all the game, free from all the stress  
So buy your happiness

I don't know, only God knows where the story is  
For me, but I know where the story begins  
It's up to us to choose whether we win or loose  
And I choose to win

I am 'bout to lose my mind  
I am 'bout to lose my mind  
I am 'bout to lose my mind  
Lord help me, help me, say

No more pain, tired of hurtin'  
Tired of your playin' games with my mind  
No more, no more, no more, no more, no more, no  
more  
No more, no more tears, no more cryin' every night  
No more waking me up in the morning every day  
Leave me alone, go ahead

No, no, no I'm tired

No more games I'm tired, I'm so tired  
No more, no more  
No more, no more  
No more, no more  
No more, no more

No more, no more  
No more, no more  
No more, no more  
No more, no more

Oh no, oh I'm tired of all this drama  
Go ahead, go ahead  
I'm 'bout to lose my mind  
Lord help me, help me, say

No, no more drama, no more  
No more, no more, no more drama  
I need a peace of mind, peace of mind  
Need help, I need peace of mind, peace of mind  
Need help, I need peace of mind, peace of mind  
Peace of mind, peace of mind  
Lord help me, help me  
Lord help me, help me

Oh no, oh no, no more, no more, no more drama  
No more, no more drama

Sometimes, tired of all this drama  
Tired of all this drama  
Tired of all this drama  
Tired of all this drama  
Tired of all this drama  
Tired of all this drama  
Tired of all this drama
