Hey, yeah, Rule, baby, yeah  
Mary J. Blige, Murda Inc., smile

It's just those rainy dayz  
Spent a lifetime tryin' to wash away  
Until the sun comes out an' shines again  
Smile for me, smile for me

On all those rainy dayz  
Spend a lifetime tryin' to wash away  
Until the sun shines an' I see your face  
Smile at me, smile at me

We're always livin' so crazy an' sexy an' cool  
An' we begin to love it  
Watchin' all the heartache an' pain of the world  
An' think nothin' of it

Baby, I got love for you  
An' I know that you got me, baby  
But every time the sun shines bright  
It gets so cloudy

It's just those rainy dayz  
Spent a lifetime tryin' to wash away  
Until the sun comes out an' shines again  
Smile for me, smile for me

On all those rainy dayz  
Spend a lifetime tryin' to wash away  
Until the sun shines an' I see your face  
Smile at me, smile at me

'Coz nobody loves the rain, can't stand it  
It always seem to fall, baby, handle it  
Baby, didn't we tell you before  
About chasin' those waterfalls?

'Coz nobody loves the rain, can't stand it  
It always seem to fall, baby, handle it  
Baby, didn't we tell you before  
About chasin' those waterfalls?

Yeah, baby, sometimes the Rule don't mind the rain  
It kinda feels like I'm drownin' in the Lord's pain  
Until the sun comes out an' shines again  
Smile give me a reason to keep on believin'  
That everythin' ain't misleadin'

An' I kiss the clouds on them rainy dayz  
An' smile for you when the skies are gray  
Babe 'coz I'm a tear drop away from cryin'  
An' a few shots away from dyin'

Dear Lord, would You shower my pain?  
Let it rain, let it rain on me  
While I cherish the air I breathe  
I'm an angel that can't soar, can't fly  
An' I mastered it, Lord knows why

It's just those rainy dayz  
Spent a lifetime tryin' to wash away  
Until the sun comes out an' shines again  
Smile for me, smile for me

On all those rainy dayz  
Spend a lifetime tryin' to wash away  
Until the sun shines an' I see your face  
Smile at me, smile at me

Feel like an angel, mend my broken wings  
So I can soar again, Lord, let me in  
An' through all the passion, the pain an' the hurt  
I feel like I'm fallin'

Makin' promises of love to those that spread love  
An' for those that can't take it, stand up  
Baby, we gon' make it an' the words of Marvin Gaye  
War is not the answer

'Coz nobody loves the rain, can't stand it  
It always seem to fall, baby, handle it  
Baby, didn't we tell you before  
About chasin' those waterfalls?

'Coz nobody loves the rain, can't stand it  
It always seem to fall, baby, handle it  
Baby, didn't we tell you before  
About chasin' those waterfalls?

It's just those rainy dayz  
Spent a lifetime tryin' to wash away  
Until the sun comes out an' shines again

Smile for me, smile for me

On all those rainy dayz  
Spend a lifetime tryin' to wash away  
Until the sun shines an' I see your face  
Smile at me, smile at me

Smile, smile, smile, smile  
Smile, smile, smile, smile  
Smile 'til the sun shines, just smile for me  
Just smile for me, just smile at me

Know in your heart that we are free  
Free to believe whatever we feel  
So feel somethin' real, baby
