Chorus)

Round and round I go

Where I stop

You will never know

Round and round I go

Where I stop

You will never know

(Vs.1)

I just don't understand

What is your master plan

What did you have me do

Confusion in my mind

Been hurt a thousand times

Now I know you're not true

(That's why I can't be with you)

You don't know what it meant to me

Just to make you happy

All this time I've waited

Now our love has faded

Please tell me why it's gone

So my life can go on

(Chorus)

(Vs.2)

I told you once before

I'm walkin out the door

I'm leaving you behind

Thinking bout you all the time

Makes me so sad and blue

Now what are we gonna do

(That's why I can't be with you)

You don't know what you did to me

When you told me you loved me

Now you're actin' shady

Now I'm goin crazy

Please stop holdin back from me

Cause I got to keep from goin round

(Chorus)

Oh, ohhhh

Oh, ohhhh

Oh, ohhhh

Oh, ohhhh

(Chorus)

You promised me you'd never leave
You said you'd stay with me always
Always
You'd never leave
(Chorus)
(You'll never leave
