Ooooooooo Oooo

The 1st love I let inside my life had me afraid to fly
Had my head in the clouds and me while he let me
crash(OOOOO)

The next guy he didnt even care enough to pay the
fare

Took 1 look at all my bagagge and called himself a cab
Then I love you

There's a place for me
In the air
Can't wait to be withcha there

Buckle up
We're taking off(Oo Oo)
And all becuz of you

Handle my bags Like a skycap
Carry my load Like a skycap
Help me help me Like a skycap
Got me there like a skycap

And I..
I'm flying
Now I'm flying
I'm flying
Now I'm flying

(Timberland)I'm falling
Now I'm falling
I'm falling
Now I'm falling

Ask me bout my man and I'll say I got enough
Took me by my hand and we took off(Oooooo)
And I'm crusing altitude so when the times are rough
We fly over rocky roads and rainy days(Oooooo)

There's a place for me
In the air

Can't wait to be
Withcha there

Buckle up we're taking off(Oo Oo)
And all becuz of you

Handle my bags Like a skycap
Carry my load Like a skycap
Help me help me Like a skycap
Got me there like a skycap

And I..
I'm flying
Now I'm flying
I'm flying
Now I'm flying

(Timberland)I'm falling
Now I'm falling
I'm falling
Now I'm falling

(Timberland)We got a 1st class love

I never been so high

(Timberland)We're take it to the heavens up above

I'm gonna write your name across the sky yeah

And I don't ever want a fan
Got myself a h*** of man
Ladies if ya understand
Sing it for me now
And I don't even want a fan
Got myself a h*** of man

I'm flying
Now I'm flying
I'm flying
Now I'm flying

Handle my bags Like a skycap
Carry my load Like a skycap
Help me help me Like a skycap
Got me there like a skycap

And I..
I'm flying
Now I'm flying
I'm flying

Now I'm flying
