We've been through the storm, we've been through it  
all  
We had some close calls but never would fall  
We climbed all the mountains, walked through all the  
valleys but you never left me behind

I found my way through the clouds  
No more runnin, scared, closing my eyes  
I will be true this love from my heart  
I'm laying my life on the line

I will survive, as long as it's you by my side (x2)  
I'm stronger (x6)

They said we wouldn't make it but guess what we made  
it  
and we got them wondering how  
You were always for me, never been the one t'hurt me  
You gave me peace of mine

I found my way through the clouds  
No more runnin, scared, closing my eyes  
I will be true this love from my heart  
I'm laying my life on the line

I will survive, as long as it's you by my side (x2)  
I'm stronger (x6)

Sometimes I can't believe that you are with me..  
There's nobody lucky as me  
So I get on my kness to make sure that he knows that  
i'm grateful for what he gave me

I will survive  
I will survive, as long as it's you by my side (x2)  
I'm stronger (x6)
