Baby
Ooh baby
When we

I gotta man to love me down all night
I just hate it when we fuss and fight
Sometimes it's hard for us to get along
But I miss him when he's not home

Nobody ever finds the perfect man
But I'm a make the best with what I have
Reminiscing on when we touch
Boy we make good love

When we
(When we)
When we
(Oh when we baby)
When we
(When we, when we)
When we make good love

When we
(When we)
When we
(When we)
When we
(Oh when we babe)
When we make good love

We been together for three long years
But I don't mind cryin' many tears
Over something that I can't control
But I love him wit all my soul

Nobody ever made me feel this way
We gonna make it through the good and bad days
I know you'll always choose what's best for us
'Cause we make good love

When we
(When we)

When we
(Oh when we baby)
When we
(Oh when we)
When we make good love

When we
(When, when, when, when, when we)
When we
(Wh-wh-when, when, when we)
When we
(Oh)
When we make good love

Boy you make me realize that your that special one in
my life
You're my soul mate sent for me
Ain't nobody gonna be as good to you as I can be
I will love you faithfully 'cause our love was meant to be
'Cause we make good love

When we
(When we)
When we
(Oh when we, when we baby)
When we
(When we make good love, good love)
When we make good love
(Good love)

Boy you make me realize, your that special one in my
life
You're my soul mate sent for me
And ain't no, ain't nobody gonna be
Ain't nobody gonna be as good to you as I can be
Hey, hey, hey

When we, when we, we make good love, good love
Oh when we, when we, we make good love, good love
When we, when we, we make good love, good love
Oh when we, when we, we make good love, good love

When we
When we
When we
(And when we, when we)
When we make good love
(When we make good love)

When we
(When we)

When we
(When we, we)
When we
(Oo, when we baby)
When we make good love
(When we make good love)

When we
When we
(Oh, when we baby)
When we
(Oh, when, when baby)
When we make good love
