Oh, yeah!

Oh, if you're beautiful, pull up your hand
If you're feeling, then do your things, yeah
Oh, and don't there's nothing in the world
Can't ever break it down
Can't put you down,
So I got up on my heels, on my dress, on my hair
Gonna run to town!
Oh, you're gonna feel me tonight, right!

I, I know you gonna see me coming up
And boy I know you want this!
And I, I know you can't get enough, get enough
And boy I know you want this
A kind of woman, make you a whole man
Still put it on ya, I ain't..
Come on, let's do this, back how we're moving
Form head to toe, boy I know you want this!

It's all right... and don't be scared
Do what you want to do, and just come over here!
Oh, so what we gonna say, some people should...
Ain't gonna shoot you down
So I got up on my heels, on my dress, on my hair
Gonna run to town!
Oh, you're gonna feel me tonight, right!

I, I know you gonna see me coming up
And boy I know you want this!
And I, I know you can't get enough
And boy I know you want this!
A kind a woman, make you a whole man
My ego won't gonna last long!
Come on, let's do this yeah, back how we're moving
Form head to toe, boy I know you want this!

Yeah, I know you...

Admit it boy, you're feeling me
It's just me and my girlfriends
And we know we gonna want this!
Boy I know, I know, oh, yeah

I know you gonna want this!
Boy I know, you know
You gonna want this

I, I know you gonna see me coming up
And boy I know you want this!
And I, I know you can't get enough
And boy I know you want this!
A kind a woman, make you a whole man
My ego won't gonna last long!
Come on, let's do this yeah, back how we're moving
Form head to toe, boy I know you want this!

Boy I know you want this
I know you want this, I know you want it
Boy I know you want this!
Yeah, yeah!
Uh, uh, uh!
