Oooh you remind me, yeah  
you remind me of such sweet memories

(Chorus)  
I saw you before baby  
It's a deja~vu honey  
don't you know that you remind me

I saw you before baby  
It's a deja~vu honey  
Don't you know that you remind me

(Vs.1)  
You, you remind me of a love that I once knew  
Is it a dream or is it deja~vu  
I just had to let you know so I had to sing it  
'cause for you boy I don't know

The way you walk and the way you talk and  
the way you move and you remind me, yes you do  
Of the way you dress and the way you dance and  
you really like to move it. You remind me

(Chorus)

(Vs.2)  
You, you remind me of a memory  
and this is something you should know  
Sweet baby darling c'mon just stop playing with my  
mind  
'cause for you boy I don't know

(The way)  
The way you walk and  
(The way)  
The way you talk and  
(The way)  
You really like to move it  
(The way)  
The way you dress and  
(The way)

The way you dance and  
(The way)  
You really like to groove it  
You remind me, you remind me

(Chorus)

(Keyboard plays)

And the way you walk and  
the way you talk and  
the way you move it  
You remind me, yes you do  
The way you dress and  
the way you dance and  
you really like to groove it  
You remind me, you remind me

(Chorus)

I saw you, I saw you before baby  
yeah, yeah, yeah, yeah ,yeah, yeah ,yeah, yeah
