Woohooohoo whoooohooohoo  
Whoohoo whoohohohohoo

There's something that I want to say  
But I feel I don't know how.  
Still I just can't hold it one more day  
So I think I'll let it out.

You're on my mind more than I may show  
You're in my heart more than you may know  
And the last thing that I want  
Is for you to fall apart.  
Your future will be clearer  
I want you to remember.

In each tear  
There's a lesson (there's a lesson)  
Makes you wiser than before (wiser)  
Makes you stronger than you know (stronger)  
In each tear (each tear)  
Brings you closer to your dreams  
No mistake no heartbreak  
Can take away what you're meant to be

We can't change the things  
That we done that's in the past.  
But fighting won't get us anyway.  
So if you want then here's my hand  
Every night there's one thing I do  
I bow my head and I pray for you (pray for you)  
And the last thing that I want  
Is for you to fall apart  
Your future will be clearer  
I want you to remember

In each tear  
There's a lesson (there's a lesson)  
Makes you wiser than before (wiser)  
Makes you stronger than you know (stronger)  
In each tear (each tear)  
Brings you closer to your dreams  
No mistake no heartbreak

Can take away what you're meant to be

Your much more than the struggle that you go through  
You're not defined by your pain so let it go (let it go, let  
it go)

You're not a victim you're more like a winner  
And you're not defeat you're more like a queen

In each tear  
There's a lesson  
Makes you wiser than before  
Makes you stronger than you know  
(Stronger than you know)  
In each tear (in each tear)  
Bring you closer to your dreams  
No mistake no heartbreak  
Can take away what you're meant to be

In each tear (each tear)  
There's a lesson (there's a lesson)  
Makes you wiser than before (wiser)  
Makes you stronger than you know  
In each tear (Make you so much broke)  
Bring you closer to your dreams  
No mistake no heartbreak  
Can take away what you're meant to be

No no we can't be held out  
No no oh noo I I I can't held out  
You you you can't be held out  
We we we can't be held out

Love  
It makes you so much stronger (stronger)  
It makes you so much wiser (wiser)  
In each tear (in each tear)  
And You're so close to your dreams  
And no mistake no heartbreak  
Can take away you're meant to be.
