As long as you have your feet above ground  
The sky as your crown, the coat tails made of breeze  
You come with me, come with me  
You la la la la, you la la la la, you la la la la, oh, oh

You made the demons bite your toes, the fairies kiss  
your nose  
Made you roll in the leaves till they become your  
clothes  
You come with me, come with me  
You la la la la, you la la la la, you la la la la, oh,oh  
You la la la la, you la la la la, you la la la la, oh,oh

The earth and sky, don?t you pass me by  
The earth and sky, don?t you pass me by, don?t you  
grow long, grow long  
Don?t you grow long, grow long, don?t you grow long,  
grow long
