MJ, 50 Cent. G Unit

This is simple, I know you understand
Another man can't quite love you, girl, like I can

Your fantasies and your dreams believe in me
I will fulfill, now, you know how I feel
Now baby, tell me how do you feel?

Boy, I feel like this just can't be real
And if I'm dreaming, please, don't wake me up
So what's the deal? Should I save my love for you?
'Cause no one makes me feel the way that you do

You make me wanna see your face everyday
Deep down inside I know that you're my soul mate
If you should be my man, patiently
'Cause boy, I know that you're the 1 for me

Let me be the 1 to give you everything
Let me be the 1 that's always in your dreams
Let me be the 1 who'd be right by your side
Let me be the 1, let me be the 1

I'm your girl, see, there's no one quite like me
Nobody will love you the way that I do
I get chills when you put your arm around me
You make me feel like I'm the only one

You make me wanna see your face everyday
Deep down inside I know that you're my soul mate
If you should be my man, patiently
'Cause boy, I know that you're the 1 for me

Let me be the 1 to give you everything
Let me be the 1 that's always in your dreams
Let me be the 1 who'd be right by your side
Let me be the 1, let me be the 1

Baby, if ever you need someone who knows you
Someone to go to, someone to be by your side
Baby, if ever you need someone to talk to
Someone to hold you, someone to be down to ride

You can count on me, I'll be there for you
When you need me, I care for you like you care for me
Please believe me, if I was locked up
I know you'd be the one to come see me
Because you understand life where we from ain't easy

Problems, they say when it rains, it pours
But I'm sure together we can weather the storm
Your friends, they don't understand the shit we on
When I'm gone, I'm missing you
Your love is unconditional, you're my heart

I need to live, picture me dissin' you
Now, picture something positive
Me hugging and kissing you
If ever you doubt how I feel
This is what you should listen to

Let me be the 1 to give you everything
Let me be the 1 that's always in your dreams
Let me be the 1 who'd be right by your side
Let me be the 1, let me be the 1

Let me be the 1 to give you everything
Let me be the 1 that's always in your dreams
Let me be the 1 who'd be right by your side
Let me be the 1, let me be the 1

Let me be the 1
Let me be the 1
Let me be the 1 for you

Let me be the 1
Let me be the 1
Let me be the 1 for you

Let me be the 1
Let me be the 1
Let me be the 1 for you
