Here we go again, yeah, that's right
Here we go again, yeah
This is the remix, back together again
Let's go Mary, yeah

All the love we gave, the loving that we made
Then you went away so I had to pray
To see a brighter day 'cause silence let us pray
Now I'm moving on to get away from all this pain

I feel better than I felt before
'Cause there's no more drama knocking at my door
I feel better than I felt before
'Cause there's no more drama in my life, no more, no
more, no more

This is the remix
I like this, come on

It's looking better now, a brand new love I found
I finally figured out what love is all about
And now I'm on my way and all I have to say
Is there'll be no more crying and I truly believe that

I feel better than I felt before
'Cause there's no more drama knocking at my door
I feel better than I felt before
'Cause there's no more drama in my life no more

It's time to realize it's up to you and I
Life is what you make it
If you don't give up the fight
All this really means, assuring me

Yo, it's the D I D again, D to the wheezy
Been in the game, twelve years, it ain't easy
Been in dem things got game that so breezy
Spendin' them things with a chain that's so freezy

Please believe me, TV need me
As far as the CD, pump that on GP
What's the 411, hun

It's PD, MJB collabo with the BB

Period, no question, no comma
Your hearing is no vest and no armour
Bring it to cats like Bush to Osama
Sippin' on vu, make moves and no Scama
Word to my Mama, can't deal with the trauma

That's why I stay in the Bahamas
Laying in pajamas, two sexy Mamas
Bodyguards, top guns, two extra lamas
I don't want no drama

I feel better than I felt before
'Cause there's no more drama knockin' on my door
I feel better than I felt before
'Cause there's no more drama in my life

No more, no more
No more, no more
No more, no more
