You know very well  
What you are  
You're my sugar thing  
My chocolate star

I've had a few  
But not that many  
But you're the only love  
That gives me good and plenty

Juicy fruit (Juicy)  
Juicy (Yeah... eah... eah... hey...)  
Juicy fruit (Juicy)  
Juicy

Candy rain  
Comin' down  
Taste you in my mind  
And spread you all around

Here I am  
Oh, this love's for you  
Hey, baby  
Sweet as honey dew

Close my eyes  
Oh, what fantasy  
And you're right here with me  
Juicy

Cherry blossom kiss  
What you're givin'  
Makes my body rock  
Keeps me sizzlin'

Do what you want  
I don't care  
I'll be your lollipop  
[You can lick me everywhere]

Juicy fruit (You're so)  
Juicy (Juicy)

Juicy fruit (Yeah... hey... hey... hey... hey...)  
Juicy

Here I am  
This love's for you  
Hey, baby  
You're sweet as honey dew [Dew]

Close my eyes  
Oh, what fantasy  
And you're right here with me  
Yeah, yeah, yeah, yeah

Juicy fruit  
Juicy

Juicy fruit (Juicy)  
Juicy (I like it, I like it)  
Juicy fruit (In the morning, oh, babe)  
Juicy (Oh... oh...)

Juicy fruit (Candy rain comin' down)  
Juicy (Turns me all around)  
Juicy fruit (I like it, I like it)  
Juicy
