"I Used To Love You"

Visit "[I Used To Love You](#)" on MotoLyrics.com

This goes out to all you scandalizers.
Breaking hearts and leaving scars.
You know who you are.

I used to love you
And you were so cool
And I believed you.
And every lie you told.
I used to trust you
I don't know why I did
I opened up to you
And now you make me sick.

I gave you everything
What was mine was yours
Except that wedding ring you said you couldn't afford.
Looking back on how you sent all those secret texts
When you were in a rush, off to have some sex.
All those nights I spent on a weekend home
You never said 'I love you'
We were honorable.
Now I understand,
You're not alone.
You're not a real man,
You're a fucking ho.
You're a slut like some bitches that I used to know.
(Some bitches that I used to know)

I used to need you.
I thought you were the one,
Until I seen you out with another one.
It really hurt me,
And it was all for some whore.
I've had it with you,
I'm walking out the door.

I gave you everything,
What was mine was yours.
Except that wedding ring you said you couldn't afford.
Looking back on how you sent those secret texts,
When you were in a rush, off to have some sex.

All those nights I spent on a weekend home,
You never said "I love you"
We were honorable.
Now I understand.
You're not alone.
You're not a real man,
You're a fucking ho.
You're a slut like some bitches that I used to know.

I've heard the same lies seven thousand different
times
That's why I'm leaving you.
My middle finger says goodbye. (Bye!)
And all this fighting and this arguing,
It's just a sign that I'm better off
Without you I'll be doing fine.
Too late for apologies cuz there's no more of 'you and
me'
And truthfully, sex with you just ain't what it used to be.
So for now siyonara, peace I'm out.
Call your boy, get your "ishh" and get the fuck up out
my house.

All those nights I spent on a weekend home,
You never said "I love you"
We were honorable.
Now I understand.
You're not alone.
You're not a real man,
You're a fucking ho.
You're a slut like some bitches that I used to know.
