Speeding Motorcycle of my heart  
Speeding Motorcycle, always changing me  
Speeding Motorcycle, don't you drive wrecklessly  
Speeding Motorcycle of my heart

Many boys have taken you for a ride  
Hurt you deep inside but you never slow down

Speeding Motorcycle, let's be smart  
Cause we don't wanna wreck, but we can do lotta tricks  
We don't have to break our necks to get our kicks

Speeding Motorcycle, the road is ours  
And we don't need reason and we don't need logic  
Cause we've got feelin' and we're very proud of it

Speeding motorcycle, let's just go  
Speeding motorcycle, let's go let's go let's go  
Speeding motorcycle, there is nothing you can do  
Speeding motorcycle, I love you
