[verse 1]

There's a name so powerful words can't describe
When spoken demons tremble
And all creation must bow down

[b-section]

Awesome are your ways
Everyday the same
And majesty is your name

[hook]

And i/give you all my worship
And i/wanna sing your praise
And i/long to honor you more than yesterday

[verse 2]

There is not any other who can compare
To your word your life
Your love's ultimate sacrifice

[b-section]

[hook]

[bridge]

You're everything no one else can be
You filled every space that was empty
Lord you are everything to me

[hook]
