I'm a believer, tellin' you i really believe
I'm a believer, even though i've never seen
I'm a believer, look at my life and you will see
I'm a believer, how can you not believe?
I'm a believer, every word he says to me
I'm a believer, cuz he gave me my liberty
I'm a believer, now and forever i will be
I'm a believer, how can you not believe?

[verse 1]

We got home late one night from service
Something wasn't right, momma was nervous
She said we're staying at your auntie's house tonight
Cuz something in my spirit ain't right
Just as soon as we all went to sleep
Momma got a call from the police saying "your house is
on fire"
We were sad, but alive God spared our lives

[verse 2]

On the highway minding my business
Another car was tryna get by
So i put my foot on the brakes and
My car flipped upside down
I cried, "lord have mercy on me
Take the car but save my life"
I walked away no scars, no pain, nothing broken
So now i testify

Somebody, somewhere out there is watching us, and
taking care of every little thing we need, and some
People still don't believe, but i have seen too many
things, tell me what will make you see, that he's able
To be all you need and more,
So tell me what it is you're waiting for
