The scene of the crime on sunset and vine  
flying on lines and two dollar wine  
at 2: 39 room 239 sirens wailing off in my mind  
or maybe im just too fucking high  
i'll never know why life of a fiend obsessive obscene  
blowing off steam  
with no self esteem im starting to scream  
i'm paranoid, i need some air, i need to stand over the  
edge  
cause i don't really fucking care about myself  
cause i was the one who was born in this hell  
now im in hotels huffing narcotics  
shit is so hopeless drunk alcoholics junkies  
mum you fucked me now im alone and nobody cares or  
loves me  
heart of a stone and everyone knows im a druggie life  
is ugly  
dear god can i please have a sec of your time  
i'm outta my mind this time i'm paralyzed  
and it's still i that i despise woooo oh sadness drips  
into my days and shizo flips of purple haze  
purple haze  
i've seen comatoses from drug overdoses  
i'm drowning in vodka feels like it's ocean  
we're oceans apart and now i have no one nothing  
weak cause part of me's crushing fucking destruction  
my head is concussing i'm in the abyss clenching my  
fist  
now i wanna die, no, i wanna live  
cause death has been on me since i was a kid  
and i'm still standing on these church steps with my  
heartbeat pounding through my chest, praying to god  
playing with death and this hatred has my mindset  
on 2 matches  
and a can of gas burning off my skin to hide my  
darkest days and sins of the past and broken glass in  
my nightmares when you're not there  
but you're never there  
and i can't fight it in the mirror see you everywhere  
and i still spit at my refection and this wickedness  
rejection vicious cycles bad intentions my demise

and its still i that i despise woooo oh sadness drips into  
my days and schizo flips of purple haze  
purple haze  
junkies alone in this world whooo oh  
oh sadness drips into my days and shizo flips of  
purple haze  
purple haze  
crushing fucking destruction my head is concussing im  
in the abyss clenching my fist now i wanna die, no, i  
wanna live  
cause death has been on me since i was a kid
