There will be mountains that I will have to climb  
And there will be battles that I will have to fight  
But victory or defeat, it's up to me to decide  
But how can I expect to win If I never try.

I just can't give up now  
I've come too far from where I started  
Nobody told me the road would be easy  
And I don't believe he brought me this far to leave me

Never said there wouldn't be trials  
Never said I wouldn't fall  
Never said that everything would go the way I want it to  
go  
But when my back is against the wall  
And I feel all hope is gone,  
I'll just lift my head up to the sky  
And say help me to be strong

I just can't give up now  
I've come too far from where I started from  
Nobody told me the road would be easy  
And I don't believe he brought me this far to leave me

Hook:  
I know you didn't bring me, out here to leave me lonely  
Even when I can't see clearly  
I know that you are with me (so I can't)

I just can't give up now  
I've come too far from where I started from  
Nobody told me the road would be easy  
And I don't believe he brought me this far to leave me
