I've got cigarette burns on my skin and I don't even
smoke
As I'm chokin on this kush and I'm ready to be pushed
over the edge
I need a second to release this mental pressure
All my life I was neglected now addiction has me feelin
dead
And it's too heavy blacked out in my best friend's
Chevy
El Dorado sitting on top of cinder blocks choppin rocks
On the back of skateboard decks where's the meth?
creepin death
Heart attack where's the motherfuckin jack?

I need a breath I need a sip I need a puff I need a hit
Needy little pity girl self-destructive fuckin bitch
Sicker than some sickle cell syphilis or gonorrhea
Lick tequila off of mirrors waitin on my fuckin dealer
I need my shit on spec cuz I'm broker than a rubber
check
Rubberneckin yellow lines down Mulholland morning
time
Push it to the borderline I'm borderline obsessed
And I still have some shit to get off of my fuckin chest

Unwrap the fears and sip the tears watch me walk away
To the Twilight Zone I'm too high I'm stoned
I'm stoned Come to the Zone

I'm haunted by the repercussions I can feel the reaper
rushin
Puffin on some reefer with my hands around the bottle
clutching
Shivering I'm blown 2 bits What the fuck? One more hit
Close my eyes to paradise I'm paralyzed over it
I'm over it and showering and flying on the ground
And I ain't never comin down
Unless it's downers in my Jack and Coke
Mixed up with some smack and coke
Like a John Belushi joke DOA at the Chateau

I need a breath I need a sip I need a puff I need a hit

Needy little pity girl self-obsessive fuckin bitch
Waitin on my dealer has me in psychotic fits
Countin seconds like they're minutes it's been hours
since I had a hit
I need my shit on spec cuz I'm broker than a rubber
check
Rubbernecking yellow lines down Mulholland morning
time
Push it to the border line I'm borderline obsessed
And I still have some shit to get off of my fuckin chest

Unwrap the fears and sip the tears watch me walk away
Thru the twilight zone I'm too high I'm stoned

It's 4 AM I'm bitin nails and all these bitches got love for
sale
Walk away to the Hollywood Hell

Unwrap the fears and sip the tears watch me walk away
To the twilight zone I'm too high I'm stoned

What the fuck? Get away from me! What the fuck!
