[hook]

If you tell me to go i'm gonna tell you i will,
'cause i love you that much
If you tell me to stay and be still i will,
'cause i love you that much
Tell me what to say even if i'm afraid i will,
'cause i love you that much
It doesn't matter, whatever, whenever i will, 'cause i
love you that much

[verse 1]

Now a days everybody wants to be in control
Tryna be a leader when they've never even really
followed
Got no information and no direction and way too much
pride
When it ain't that hard to just ask the lord to be your
guide

[hook]

[verse 2]

One love and one heart, one God who gives it away
Most folks they don't wanna believe that today
But i'll take your love and i'll give my love all to you
completely 'cause
I trust in you and i believe that you know what's best for
Me

[hook]

[bridge]

I will always trust in the fact that
You got me in the palm of your hand
Use me how you will
No matter how i feel
'cause there's no way that
I could know you put the sun in the sky
I could know you hung the moon for the night
Still not wanna trust ya
Well that wouldn't be right so i'm saying
