Fuck you and your selfish ways.

Somebody kill me. slice my neck. somebody show me
some fucking respect. instead of all this silence cause
I'm angry I need violence fuck me up spill my guts
someone teach me to trust. I'm high and drunk. faded
as fuck. staring down barrels I'm looking for love.
instead I see corpses and slow riga-mortis in coroners
offices sipping on tussin. father will you forgive me
cause to drugs I'm a slave I've been fucked by
temptation and smacked in the face and I've faced
everything I've had to face when my fainly was erased
and everyday I'm awake is just another disgrace. give
me pills I'm addicted to the thrills put my body in a chill
give me sit that shoots to kill. like you killed my mother.
little girl in the mirror with noone to love her.

Take a look at my soul.
Tear me apart
Cause I'm living cold

I'm living cold.
I'm living cold.

Now I need discipline I need silence sicker than sick my
virus is violence ripat my flesh and then make me
whole I'm losing control I'm losing control jesus christ
give me a sign give me a cross let me crucify I'm so
fuckin vain vanity whore I'm such a fiend I gotta have
more I gotta have more more I need some affection I
need some distraction I need some attention smack
me choke me pull my hair promise you'll stay but you'll
never be there do you love me do you care fuck you I
hate you life isn't fair I need to feel something before
I'm just nothin so cut me or kill me or fuck me or
something.

Take a look at my soul.
Tear me apart
Cause I'm living cold

I'm living cold.

I'm living cold.

Violence it takes over me.
Violence it takes over me.
And I don't want your love.
Your love.

Do you love me. do your care?
Do you love me. do your care?
Do you love me. do your care?
Fuck you I hate you my life isn't fair.
Fuck. you and your selfish ways.
Fuck. you and your selfish ways.
Fuck. you and your selfish ways
