Fuck you and your selfish ways

Somebody kill me slice my neck somebody show me
some fuckin respect
Instead of all this violence cuz I'm angry I need silence
Fuck me up spill my guts someone teach me to trust
I'm high and drunk faded as fuck staring down barrels
I'm lookin for love
Instead I see corpses and slow rigor mortis in coroners
offices
Sippin on tussin
Father will you forgive me cuz to love I'm a slave
I've been fucked by temptation and smacked in the
face
And I've faced everything I had to face when my family
was erased
And everyday I'm awake is just another disgrace
Give me pills I'm addicted to the thrill put my body in a
chill
Give me shit that shoots to kill like you killed my mother
Little girl in the mirror with no one to love her

Take a look at my soul tear me apart
Cuz I'm livin cold I'm livin cold I'm livin cold

Now I need discipline I need silence sicker than sick my
virus is violence
Rip at my flesh and then make me whole I'm losing
control I'm losing control
Jesus Christ give me a sign give me a cross let me
crucify
I'm so fuckin vain vanity whore I'm such a fiend I gotta
have more
I gotta have more
I need some affection I need some distraction I need
some attention
Smack me choke me pull my hair promise you'll stay
but you'll never be there
Do you love me do you care fuck you I hate you life isn't
fair
I need to feel something before I'm just nothing
So cut me or kill me or fuck me or something

Take a look at my soul tear me apart
Cuz I'm livin cold I'm livin cold I'm livin cold

Violence it takes over me Violence it takes over me
And I don't want your love your love

Do you love me do you care do you love me do you
care
Do you love me do you care fuck you I hate you my life
isn't fair
Fuck you and your selfish ways
Fuck you and your selfish ways
Fuck you and your selfish ways
