As we attempt to acknowledge
How incredible You are
We become speechless
At the thought of Your name

There's a name so powerful, words can't describe
When spoken, demons tremble and all creation must
bow down
Awesome are Your ways, every day the same
And majesty is Your name, Your name

(Let's go, and I)
And I give You all my worship
And I wanna sing Your praise
(And I)
And I long to honor You, more than yesterday
(Lord)

There is not any other who can compare
(There is not, hallelujah)
To Your word, Your life, Your love's ultimate sacrifice
Awesome are Your ways, every day the same
(Yes)
And majesty is Your name, Your name

And I give You all my worship
(And I)
And I wanna sing Your praise
(And I)
And I long to honor You, more than yesterday
(Lord)

You're everything no one else can be
(Yes, I)
You filled every space that was empty
Lord, You are everything to me

And I give You all my worship
(Let's go, hallelujah)
And I wanna sing Your praise
(I gave it to You, Father)
And I long to honor You, more than yesterday

(I recognized You, yes, yes, yes)

And I give You all my worship
(I gave You my heart, Father, and I)
And I wanna sing Your praise
(Not just to please, Father)
And I long to honor You, more than yesterday
(All of me, Father, and I, yes)

And I give You all my worship
(My spirit, my family)
And I wanna sing Your praise
(My time and my money, and I)
And I long to honor You, more than yesterday
(My gifts and my talent is Yours, You deserve it)

Is Yours
We recognize You, what a name
And I, first and last name
The only name, awesome, Lord
