There will be mountains that I will have to climb  
And there will be battles that I will have to fight  
But victory or defeat, it's up to me to decide  
But how can I expect to win, if I never try

I just can't give up now  
I've come too far from where I started from  
Nobody told me the road would be easy  
And I don't believe He's brought me this far to leave  
me

Never said there wouldn't be trials, never said I  
wouldn't fall  
Never said that everything would go the way I want it to  
go  
But when my back is against the wall and I feel all hope  
is gone  
I'll just lift my head up to the sky and say help me to be  
strong

I just can't give up now  
Come too far from where I started from  
Nobody told me the road would be easy  
And I don't believe He's brought me this far to leave  
me

No, you didn't bring me  
Out here to leave me lonely  
Even when I can't see clearly  
I know that you are with me, so I can't

I just can't give up now  
Come too far from where I started from  
Nobody told me the road would be easy  
And I don't believe He's brought me this far to leave  
me

I just can't give up now  
Come too far from where I started from  
Nobody told me the road would be easy  
And I don't believe He's brought me this far to leave  
me

I just can't give up now  
Come too far from where I started from  
Nobody told me the road would be easy  
And I don't believe He's brought me this far to leave  
me

I just can't give up now  
Come too far from where I started from  
Nobody told me the road would be easy  
And I don't believe He's brought me this far to leave  
me
